References:

At the request of the national government and through a memorandum of understanding with the government, the college administers the FSM Fisheries and Maritime Institute. The institute offers programs in fisheries, navigation and marine engineering. These programs, particularly navigation and marine engineering, are offered in accordance with the standards and requirements of the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, 1978, as amended in 1995 (STCW Convention). The STCW convention is the international treaty that prescribes the minimum qualification for seafarers worldwide.
