

COLLEGE OF MICRONESIA-FSM

BOARD POLICY NO. 3202

Instructional Program Review

Date Adopted: 12-13 March 2013

Date Revised: 03 May 2017; 21 March 2019

Date Reviewed: 03 May 2017; 21 March 2019; 13-14 June 2023

Reference: Bresciani, M. J. (2006). Outcomes-Based Academic and Co-Curricular Program Review. Stylus Publishing, LLC.

Program review at the College of Micronesia-FSM is a part of the institution's overall planning and assessment processes. Program faculty members are to evaluate a program according to its goals and learning outcomes as they relate to the college mission. The program review is completed every seven years for four-year degree programs, every four years for two-year degree programs and every two years for one-year certificates.

See Administrative Procedure 3202.
