

COLLEGE OF MICRONESIA-FSM
BOARD POLICY No. 4205

**Admission to Third-Year Certificate of Achievement Program in
Public Health**

Date Adopted: 15 March 2008

Date Revised:

Date Reviewed: 22-24 March 2014

References:

To be eligible for admission to the Third-Year Certificate Program in Public Health, a student must have completed an associate degree in public health; or an associate degree in public health or equivalent (as determined by review panel chaired by the division chair of health and science and public health faculty) and significant public health work experience of at least 8 years); or satisfactory completion of a health-related research student and significant public health work experience of at least eight years and favorable interview with program faculty.
