

COLLEGE OF MICRONESIA-FSM
BOARD POLICY No. 4207

Admission to Second Degree

Date Adopted: 1 April 1993

Date Revised:

Date Reviewed: 22-24 March 2014

References:

Students who have earned an associate degree either from the College of Micronesia-FSM or a regionally accredited institution with a cumulative grade point average of at least 2.0 may formally be admitted into a second associate degree program. The second associate degree program must be in a major different from the first.

See Administrative Procedure 4207
