

COLLEGE OF MICRONESIA-FSM
BOARD POLICY No. 4407

Change of Major

Date Adopted: 1 April 1993

Date Revised: 27 November 2019

Date Reviewed: 22-24 March 2014, 27 November 2019

References:

Students who begin with one major then wish to change major must wait until the required sequence of courses in the new major is offered. They may wait as long as a year. Students are strongly advised to seek career counseling before declaring a major to avoid disrupting their program of study and lengthening their total time in college.
