

COLLEGE OF MICRONESIA-FSM
BOARD POLICY No. 4407

Change of Major and/or IDP

Date Adopted: 1 April 1993

Date Revised:

Date Reviewed: 22-24 March 2014

References:

Student who begin with one major then wish to change major must wait until the required sequence of courses in the new major is offered. They have to wait as long as a year. Students are strongly advised to seek career counseling before declaring a major to avoid disrupting their program of study and lengthening their total time in college.
