BOARD POLICY NO. 7004

Inter-Campus Shuttle Service Fee

Date Adopted: 15 December 2015

Date Revised: 02-04 April 2025

Date Reviewed: 02-04 April 2025

Reference:

The College of Micronesia-FSM develops and implements an inter-campus shuttle service fee policy to help generate funds to supplement the cost of the transport system operation. The inter-campus shuttle service operates between Pohnpei Campus and National Campus providing transportation for between the two campuses for students who wish to commute between the campuses to attend classes, to use campus services including counseling services, tutoring services, health services, and to use the physical resources including the learning resources centers, dining hall, recreation facilities, shops and other administrative services.

Revenues generated from this policy shall be used to support the inter-campus shuttle service operations to compensate for the bus drivers' salaries including overtime, fuel, repair and maintenance of the buses.

The proposed fee is \$80.00 per semester and may be charged to student's Pell Grant or paid in cash to business offices at CTEC or National Campus.
