

President's Goals 2012-2014

GOALS 2012-2014

- 1. Provide leadership for the college as a whole, including planning, development, implementation of educational and fiscal programs and services of the college;**
- 2. Resolve the issues identified by the Accrediting Commission and maintain accreditation;**
- 3. Recruit, develop, support and retain quality faculty and staff;**
- 4. Develop a vision and formulate and implement long range strategic plans;**

GOALS 2012-2014

- 5. Enhance overall standing of COM-FSM and advocate for the college in all arenas;**
- 6. Promote excellence by sustaining the cycle of continuous quality improvement;**
- 7. Determine and implement solutions to the fiscal consequences of declining compact funding and challenging economic times;**
- 8. Cultivate a culture of genuine communication, inclusiveness, participatory governance and respect for all;**

GOALS 2012-2014

- 9. Build and maintain a cohesive and highly functional senior administrative team, delegate responsibility appropriately and hold individuals accountable; and**
- 10. Monitor the efficient and effective uses of the college's resources, safeguard assets, maintain appropriate internal controls and guarantee quality and integrity of all financial and non-financial reporting and disclosures.**
