Dear President & CEO Daisy,

College staff has informed the ACCJC that the College will be extending the Agriculture and Food Technology certificate to the Chuuk Campus (Weno, Chuuk, FSM).

As this change does not result in a significant departure, it has been determined a substantive change review by the Commission is not required. Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education.

Sincerely,

Vice President
