* Data based on SIS extracts December 2013 expect for graduates information

**"Program" information is based on Dickeson's concept of a "progarm" as expending resoruces and is linked to coureses onwed by a "program" from TracDat

* Graduation rates are based on Fall new students (full time) cohorts that are tracked at 100%, 150% and 200%

* Retention rates are based on Fall new students (full time) cohorts to return the following fall semester

*Persistence rates are based on Fall new students (full time) cohrots who return the following spring semester
