* Data based on SIS extracts December 2013 expect for graduates information

*"Program" information is based on Dickeson's concept of a "program" as expending resources and is linked to courses owned by a "program" from TracDat

* Graduation rates are based on Fall new students (full time) cohorts that are tracked at 100%, 150% and 200%

* Retention rates are based on Fall new students (full time) cohorts to return the following fall semester

*Persistence rates are based on Fall new students (full time) cohorts who return the following spring semester
