

Unit Assessment Report - Four Column

College of Micronesia - FSM

A - instruction - Agriculture and Natural Resource Management (AS)

Mission Statement: This program prepares individuals for careers in agriculture or for further graduate study. The curriculum is structured to offer a well-rounded education in basic and applied sciences of agriculture. The program blends comprehensive class room instruction with practical experience. The aim of the program is to graduate skilled agriculturists who can further develop and promote agriculture across the nation.
