Dear Dr. Daisy,

As principal of Calvary Christian Academy, I would like to express our heartfelt thanks for the first-class tour of the college and for the hospitality that you and your staff and students extended to our fourth to sixth grade students on the recent *Explorations Day –Theme: English*. The tour and information given to the students was a highlight of SY 2013-14. Thank you for allowing the students to see the college up-close. I am sure that they got a better understanding of the fact that learning English is the *key* to success in school and in life, and that learning English is important in their daily school life. Special thanks to the students and peer advisors who served as guides and presenters and to the staff members who went out of their way to make the tour memorable for the students. In addition, the t-shirt gifts to the students will help them to remember the day for a long time to come. Thank you, Dr. Daisy, for that special memento. Please extend our thanks to all who were involved in the planning and performance of the program, especially Sue Moses and Karen Simion.

Enclosed please find thank you notes from the classes that were involved in the field trip. Again, we thank you to everyone who had a part in making Explorations Day a success.

Thank you again for your help in this matter.

Sincerely,

Handwritten signature of Virginia John
