

AGENDA ITEM 10.a

Revised Vision Statement

RECOMMENDED DIRECTIVE: The board hereby approves the following college vision statement: *We provide quality education today for a successful tomorrow.*

DISCUSSION: The college vision is reviewed at least every five years in accordance with COM-FSM’s *Planning Cycle*. The previous review was conducted in 2012. *Visioning Summits* were held throughout the college August-September 2016. A Strategic Planning Working Group was established and among other things examined the summit reports and previous college *Strategic Plan* to develop possible college vision statements. Twenty possible statements were proposed, and through working group consensus narrowed to seven for consideration by the college community. A college-wide survey on the seven proposed seven options was conducted. The results are detailed in the *Strategic Plan Working Group Vision Statement Report*. Both the Cabinet and Executive Committee reviewed the report and endorsed the recommendation to present option 5 to the board.
