Substantive Change Proposal for BS in Elementary Education

**RECOMMENDED DIRECTIVE:** The board hereby endorses the Substantive Change Proposal for the BS in Elementary Education

**Discussion:** The Board of Regents approved the new baccalaureate program for a BS in Elementary Education at the March 15, 2018 meeting. The next step is to submit a substantive change proposal to the accrediting commission (ACCJC) for final approval. The content of the proposal is complete, but the following documents reference in the proposal need to be completed and then linked:

- All course outlines
- Revised Integrated Educational Master Plan
- Institution Set Standards for a baccalaureate level degree

Executive Committee reviewed and recommended the proposal for Board Review on May 9, 2018.

**ACTION TAKEN:**

- \_\_\_\_\_Approved as presented
- \_\_\_\_\_Approved w/modifications
