

COLLEGE OF MICRONESIA-FSM

BOARD POLICY No. 8000

Technology Fee

Date Adopted: 21 May 2002

Date Revised: 11 December 2009 (~~XX December 2017~~)

Date Reviewed: 28 May 2014 (~~XX December 2017~~)

References:

The Technology Fee is a \$100 mandatory fee charged to each student and may be used for purchase of computer and related technology that is used **to directly support student learning and achievement** ~~by students in classrooms, labs, or other student accessible facilities~~ at COM-FSM campuses.

Acceptable items include, **but are not limited to:**

1. Computers
2. Computer software **and licensing**
3. Printers and printer supplies, specifically ink or toner; (please note printer supplies do not include paper and other output materials which must be funded separately)
4. Networking supplies such as hubs, switches, and wiring
5. Hardware, such as uninterruptible power supplies, that supports or protects equipment purchased with the Technology Fee

See Administrative Procedure 8000
