Chuuk Campus News

About 60 students showed up for the SBA-sponsored Micro Green-Up Day on Friday, October 27, 2017, from 3:00 to 5:00 pm. According to SBA Advisor Wilson Bisalen, *"It was a fun day."* That is what PY 101 students would say — *"joie de vivre"*. Students were grouped by region and assigned to different areas on and off campus. After the serious effort in cleaning up their region-assigned areas, students gathered together for refreshment and volleyball games. ☺
