THE EASY WAY TO GRADUATE FROM CHUUK CAMPUS

Many students on campus have complained that they do not know the way to graduate. The way is like a maze. Solve the following maze, steady as you go — take one step at a time, do not rush. When you get through the maze, you will understand the easy way to graduate from Chuuk Campus.

What? You did not go through this maze so easily? Well, there are two reasons. First, IF YOU STUDENTS STUDY HARDER, THEN IT WILL BE EASY TO FIND YOUR WAY THROUGH THE MAZE OF CHUUK CAMPUS. Second, IF YOUR ADVISORS ADVISE BETTER, THEN IT WILL BE EASY TO FIND YOUR WAY THROUGH THE MAZE.

A GLIMMER OF HOPE
LIGHT AT THE END OF A TUNNEL
FLOWER IN THE CRANNIED WALL

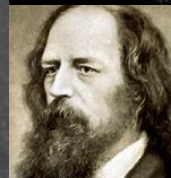

Hope rises like a phoenix from the ashes of shattered dreams. It has been said before, time and again; and yet many Chuukese students choose not to believe the truth in hope. Why? Their choice is based on the option of failure. They do not believe in success. Just trust the future: hope stands next to you.

Sometimes even the smallest glimmer of hope can grow into a blinding light that shines on the entire world.

Flower in the Crannied Wall

Flower in the crannied wall,
 I pluck you out of the crannies,
 I hold you here, root and all, in my hand,
 Little flower-but if I could understand
 What you are, root and all, all in all,
 I should know what God and man is.

Alfred Lord Tennyson

STRANGE THINGS HAPPEN ON CHUUK CAMPUS

Remember how you used to scare me in class? I'm not afraid any more!

Kind's new policy: "Students cannot hold hands on campus. It is against our Chuukese culture."

Yes, I did it. I cut Ben's body into a thousand pieces for bait in our fishing derby.

**Yes,
strange things
do happen
on
our campus.**

So, what's the problem? I'm now top dog in Atkin's CA 100 class.

I wish you-know-who would stop talking so much in class.

No, don't eat that. Lolita and Hattie are trying to poison you.

My brother and I have different mothers. Can't you see?
