% Body Fat several papers and publications

10th. Annual Guam Diabetes Conference 2009

10th. Pacific Science Inter-Congress 2001 Guam

17th. Int. Congress of Nutrition, Vienna 2001, 38 pages

1982/3 National Nutrition Survey Papua New Guinea

1999 WHO International Society of Hypertension Guidelines for the Management of Hypertension

1999 The Doctor of Philosophy Handbook

2003 INACG Symposium Morocco 2003

2007 Yap Almanac Calendar Tees of Yap

24 VASQ Method for establishing Vitamin A Intake

24 VASQ Method for Vitamin A Intake 1999 FSM Population Profile # 182

25 Years of Progress in Controlling Vitamin A Deficiency : Looking to the Future 2001

30th National Nutrient Databank Conference. The Role of Food Composition in Improving Dietetic Practice, 2006 Hawaii Abstract Booklet

4 Food consumption, nutrient intake and the use of food composition tables West.

A Guide to Carotenoid Analysis in Foods 1999 # 722

A brief summary of the health priorities seminars conducted in Yap, Chuuk, Kosrae and Pohnpei, and the Marshall islands.
A brief summary of the Health Priorities Seminars Conducted in Yap Chuuk Kosrae and Pohnpei and Marshall Islands by Flear 1998 # 27

A community nutrition project in Vietnam effects on child morbidity by English.

A field and Laboratory Study of the Storage and Preservation of Breadfruit as Practiced in the South Pacific Islands by Davis 1967

A Grain of Salt The way to free the world from iodine deficiency disorders by UNICF

A Guide to Carotenoid Analysis in Foods by Amaya 2001 # 722

A Guide to the Common Edible and Medical Sea Plants of the Pacific Islands

A Guide to the Useful Plants of Solomon Islands by Henderson

A Guide to the Useful Plants of Solomon Islands by Henderson and Hancock 1988 # 793

A History of Vitamin A and Retinoid by Wolf 1996

A Manual for the use of Focus Groups by Dawson #1993 # 593

A Pohnpei Bibliography by Ashby 1998

A Pohnpei Odyssey Wandering through writing about Pohnpei in the 19th. Century by Ashby

A Pragmatic Approach to the Production of Good Quality Food, Composition Data

A Preliminary List of Animal Names in the Chuuk District by Davis 1999

A Report by the US Government Survey Mission to the Trust Territory of the Pacific Islands, Solomon 1963

A Residence of Eleven Years in New Holland and the Caroline Islands by O’Connell 1972 # 715

A Review of Traditional Micronesian High Island Horticulture in Belau, Yap, Chuuk, Pohnpei and Kosrae by Hunter 1991 #1061.

A Role for Anthropology in Micronesian Social Program Development by Borthwick 1978 # 769
A routine method for the simultaneous measurement of retinol, a-tocopherol and five carotenoids in human plasma by reverse phase HPLC.

A Situation Analysis of Children and Women in the FSM 1996 uncefa

A Sociology Food of and Nutrition, The social appetite, by John Germov and Lauren Williams, 328 pages.

A Study of body perception and percent body fat in Tongans 1998 9 pages.

A Study of Dietary and other factors contributing to Vitamin A Deficiency in the FSM

A Test of a Simplified field Method to assess vitamin a status in young Children in Purandar Sub-District of India by Persson 1997 # 163.

A Variety of Green Leaves will keep you Healthy by Ram 1994 # 208

A young person’s guide to Food & Nutrition by Elizabeth Chant Robertson, 83 pages

Abemama An Atoll

Abstract: Environmental and Societal Factors Affect Food Choice and Physical Activity: Rationale, Influences, and Leverage Points by Booth 2001 # 892.

Abstract: How Nutritional Effects of Food can Influence People’s Dietary Choices by Booth 1983 #545.

Abstract: Methods for the isolation and analysis of carotenoids by Young

Abstract: Morinda citrifolia (Noni) : A literature review and recent advances in Noni research

Abstract: Night blindness of pregnancy in rural Nepal by Christian 1998 #54

Abstract: the composition of the Eskimo food in north western Greenland by H.O. Bang and others pages 2657 2661
Abstract: Diabetes Mellitus Among Native Americans in Canada and the United States: An Epidemiological Review 1993

Abstract: Interrelationship between Power-Related and Belief-Related Factors Determining Nutrition in Populations, by Gretel H. Pelto 5-10 pages

Abstract: OCCASIONAL REVIEW Westernization, insulin resistance and diabetes in Australian Aborigines

Abstract: THE LANCET, Eskimo diets and diseases pages 1139 1141.

Abstract: Type 2 diabetes and the vegetarian diet 1,2,3,4 by David JA Jenkins and others

Abstract: Breast-Feeding Status Alters the Effect of Vitamin A Treatment During Acute Diarrhea in Children. By Bhandari Abstract: New issues in developing effective approaches for the prevention and control of vitamin A deficiency by Bloen Metal

Abstract: Dietary Approaches to the prevention of Vitamin A Deficiency by Charoen Kiatkul 1985.

Abstract: Dietary Vitamin A Intake in Relation to Child Growth by Fawzi 1997 # 228

Abstract: Life-Course Influences on Fruit and Vegetable Trajectories: Qualitative Analysis of Food Choices by Devine

Abstract: Momentary Acceptance of Particular Food and Processes that Change it by Booth 1981 # 536

Abstract: Sustained breastfeeding, complementation and care by Greiner

Abstract: The Helen Keller International food frequency method may underestimate vitamin A intake where Milk is a normal part of the young child diet, by Persson 1999 # 94

Abstract: 24 –Hour history is more closely associated with vitamin A status and provides a better estimate of dietary vitamin A intake of deficiency Indonesian preschool children by Humphret 2000.
Abstract: A Causal Model of High Rates of Child Mortality

Abstract: A comparison of food frequency and diet recall methods in studies of nutrient intake of low-income pregnant women by Suiton

Abstract: A Data-Based Approach to Diet Questionnaire Design and Testing by Block

Abstract: A Food-Based Approach Introducing Orange-Fleshed Sweet Potatoes Increased Vitamin A Intake and Serum Retinol Concentrations in Young Children in Rural Mozambique by Low 2006.

Abstract: A health and nutritional profile of rural school children in KwaZulu-Natal, South Africa.

Abstract: A health and nutritional profile of rural school children in KwaZulu-Natal, South Africa.

Abstract: A History of Ethnobotany in Remote Oceania by Merlin 2000 #738

Abstract: A Method for Eliciting Beliefs about Food and Child Feeding in PNG by Jenkins 1984

Abstract: A mother’s right to breastfeed: Removing the obstacles by Latham

Abstract: A review of Dietary and Environmental Correlations of Obesity with Emphasis on Developing Countries by Popkin.

Abstract: A review of the methods used by studies of dietary measurement by Lee-Han

Abstract: A Tokelau Island migrant study: prevalence and incidence of diabetes mellitus by Stanhope pages 417 to 419.

Abstract: Absorption of ss Carotene from Green Leafy Vegetables in Undernourished Children Lula 1970 #473

Abstract: Active Feeding Behavior Compensates for Low Interest in Food among Young Nicaraguan Children by Engle 1996 #460
Abstract: Agriculture and Food Supply on Ulithi Atoll by Onjo 2003

Abstract: Alternatives in the Collection and Analysis of food Frequency Interview Data by Samet 1984

Abstract: An Annotated List of the Vascular Plants of Puluwat Atoll by Maner 1989

Abstract: Anemia and hypovitaminosis A among rural women in East Java Indonesia by Kusin 1980

Abstract: Annual patterns of family and children’s diet in three Guatemalan Indian communities by Flores 1963

Abstract: Application of Visible and Near-Infrared Reflectance Spectroscopy Davey 2009

Abstract: Approaches to analysis of dietary data: relationship between planned analyses and choice of methodology by Beaton.

Abstract: Assessing diets of children and adolescents by Rockett 1997 # 683

Abstract: Assessing the changing diet of indigenous people by Whiting 1998 # 905

Abstract: Assessment diets of children and adolescents by Rockett

Abstract: Assessment of food consumption and nutrient intake by Bingham # 430

Abstract: Assessment of Pest Insects and Plant Disease for keeping up Agricultural Production in Yap by Sakamaki 1999 3# 653

Abstract: Assessment of vitamin A deficiency in the Republic of Djibuti

Abstract: Association of Food Frequency Questionnaire estimates of Vitamin A Intake with serum Vitamin A Levels by Roidt 1988

Abstract: Associations of Race/Ethnicity Education and Dietary Intervention by Kristal

Abstract: Australian Aborigines Nutrition and Changing Disease Patterns by Coyne 1979
Abstract: Availability of ss-carotene from papaya fruit and amaranth in preschool children by Devadas 1980 # 508.

Abstract: Belief Systems and Breast Feeding among Filipino Urban Poor by Will Parks 1984

Abstract: Between-and within-subject variation in nutrient intake from infancy to old age by Nelson 1989 # 685

Abstract: Beverage alcohol and other psychoactive people in Chuuk by Marshall 1991 # 746

Abstract: Beyond the Breast-Bottle Controversy by Esteril

Abstract: Bioavailability of Carotenoids by Parker 1997 # 269
