

JOB PROFILE

The President will have the opportunity to make a difference in the following areas: completing extensive construction projects under the Facilities Master Plan; maintaining strong institutional accreditation; growing vocational and technical programs that meet workforce needs; building bridges to government funding at the state, national, and international levels; enhancing endowment growth; addressing the long-term impacts of the pandemic on academia; motivating and supporting employees to achieve strategic goals; and continuing accomplishments on college access, student success, and enrollment management.

The College of Micronesia-FSM (COM-FSM) Board of Regents is launching a new search for President of the College. The President serves as the chief executive officer of COM-FSM and as the official advisor to and executive agent of the Board of Regents.

This is an opportunity for a visionary, dynamic, highly visible, and inspirational leader to make a difference at the college and in the communities it serves. The college seeks a proven leader who is strongly committed to student success, educational advocacy, and the economic and workforce development of the region, who can build upon an embedded culture of continuous quality improvement and the pursuit of best practices, and who can nurture the sense of unity, success, and pride that exists across all six campus sites of COM-FSM.

As the national college of the Federated States of Micronesia (FSM), COM-FSM proudly serves as a learner-centered comprehensive community college that is committed to the success of the Federated States of Micronesia by providing academic, and career & technical educational programs. COM-FSM offers certificate, associate, and baccalaureate programs to more than 1500 students on its national campus in Pohnpei, state campuses in Chuuk, Kosrae, and Yap, Career & Technical Education Center in Pohnpei, and the FSM Fisheries & Maritime Institute in Yap.
