His Excellency Manny Mori
President
Government of the FSM
PO Box PS 53
Palikir, Pohnpei 96941

Dear President Mori:

Attached is the College of Micronesia – FSM Fourth Quarter 2011 Performance Report. The report covers major activities and accomplishments for the college from July 1st through September 30th, 2011. It highlights the major accomplishments of the college against the college's strategic plan and our Institutional Priorities. This reporting process is closely related to the previous quarter report which is the 3rd quarter report, all division heads/chairs report to their department. As also mention before, this format is to assist the college in tracking equity and progress toward meeting the college's missions across all six campuses.

You will find the report in the college's normal reporting format that tracks major accomplishments at the college directly against its mission, strategic goals and objectives. The college has not been provided with the updated PRS.

Should you need further information or clarification, please do not hesitate to contact my office.

Sincerely,

Ringlen Ringlen
Interim President
