Position Title:	

President’s Retreat 2011

Questions	Comments/Discussion
<ul style="list-style-type: none"> ▪ What is the identity of the college? Are we a small community college? A national institutional of higher education for a small island developing nation? A combination? Are we serving a semi developed economy or a developing economy? What is the different in type of service provided? What is our role in the economic and social development of the FSM? Who do we serve now? How do we serve them now? How do our values affected our operations? 	<ul style="list-style-type: none"> ▪ A small community College with Micronesian values. ▪ Combination of A and B. ▪ We are the only post secondary in the nation with six campuses separated by massive water ▪ A college trying to assist the nation its economic and social development. ▪ A national institution of public higher education in the nation. ▪ We serve the developing nation ▪ Provide academic and vocational programs and technical short term training, community outreach, research. ▪ Professionalism, creatirigiveness, honesty, dedication, commitment, accountability, team worker, ownership. ▪ State Observer - college is not doing all these values
<ul style="list-style-type: none"> ▪ What are potential structures for the college after 2023? Should we have a physical present in all states? Should there be one campus and where? If there is one campus, what is the chance of students attending from other states? 	<ul style="list-style-type: none"> ▪ Possible shrinkage of six campuses into one campus. ▪ Shrink existing campuses into affordable level. ▪ Continue with set-up but shift ownership to state. ▪ Go distance education center concept ▪ Foreigner student enrollment ▪ Enterprising type of operation. ▪ Increase tuition and fees. ▪ Increase state direct participation in funding and operation of state campuses. ▪ State campuses should be more accommodating to state needs.
<ul style="list-style-type: none"> ▪ What might the college look like (Mission, vision, structure) in 2024 after the current economic provisions of the amended compact expire? What would be our vision 	<ul style="list-style-type: none"> ▪ More attention given to funding and planning for the next five years. ▪ Mission statement need to be reviewed and changed to include foreigner enrollment. ▪ Be more self sustained and independent.

and mission?

- **Without accreditation**
- **Cut back on services**
- **Open enrollment**
