AP2. Assure quality and consistency of instructional offering across all sites

AP3. Recruit, retain and cultivate a qualified, teaching/learner-centered faculty and learning resource staff

AP4 Improve transfer and job placement rates of graduates.

AP5 Improve retention and timely completion rates

A6 Integrate Uniquely Micronesian language and culture

AP7 Provide timely communication and administrative support for instructional affairs across sites.

AP8 Provide adequate library and learning resource services to support the curriculum and college needs.

Communication Strategic initiatives:

1. Acquire WASC accreditation expertise to help us understand and train key leaders in cited areas and intent of recommendations. Administration to secure funding to support initiative #1, by sept. board meeting. Keep our focus and prioritization toward the intent of the accreditation recommendations for the time being.
2. Focus and gather regional relevant information to address and counter current JEMCO proposal.
3. VP's and office heads support proposed standing committee structure and will hold subordinates responsible for participation in committee meetings.
4. State campuses designate private meeting place with necessary communication capability at each campus.

Institutional Effectiveness Strategic initiatives:

1. Look at quality of academic master plan. Expert review of academic master plan.
2. Recommend to hire the VPIA position as soon as possible with greater knowledge of accreditation requirements.
3. Fully implement the Assessment plans by submitting assessment plan reports before 2013.
4. Continue to support implementation of sponsored programs, administration encourage collaboration with govts in all states.
5. Review existing plans and prioritize activities to implement steps and clarify.

Financial Resources Strategic initiatives

1. Training to improve productivity of financial services and operations in support of master plan
2. Evaluate and clarify priorities in academic master plan, re-prioritize and link other plans to support
3. TCO for building renovation and replacement and construction to support AP outcomes.
4. Link each outcome on financial master plan to specific Academic master plan outcomes.

Facilities Resources Strategic initiatives

1. TCO for building renovation and replacement and construction to support AP outcomes.
2. Implement the prioritized facilities plan linked to AP priorities.
3. The college will maintain a comprehensive plan and sequence of prioritized facilities construction
4. Seek alternative funding for construction, alternative energy and other direct construction costs
5. Maintain and update a college facilities and fixed assets maintenance plan
6. Seek alternative funding sources for maintenance costs at the college
7. Establish standards for grounds and campus environment that are conducive to student learning
8. Monitoring and evaluate campus grounds
