

Breakout on JEMCO Resolution

Group #:	VOC/ CRE
Department:	
Campus:	
Position Title:	

President’s Retreat 2011

Questions	Comments/Discussion
<p>1A. What are the implications of the resolution on college finances?</p> <p>1B. What would the impact of increasing tuition on enrollment and finances?</p> <p>1C. What would be the impact of increasing the percent of college finances on PELL both short and long term (up to 2023)?</p> <p>1D. In the long term (after 2023) how sustainable is the reliance on PELL grant for financing higher education in the FSM?</p>	<p>1.a The implications will not affect CRE too much but definitely affect all programs at the college because of cost affiliated with delivery of services. ---Less service.</p>
<p>2. What are the implications of the resolution on facilities? What are the implications of the resolution on college structure?</p>	<p>2. No infrastructure funds—no developments.</p>
<p>3. What might be the college response? Is the information in the resolution factual? What issues are being raised by the resolution? How might the college address these issues to both the FSM Leadership and JEMCO? What are alternate revenue sources for the college? What data and information do we have now that may support a college position? What data and information do we need to gather to support a college position and who collects that information?</p>	<ul style="list-style-type: none"> a. Our graduates do come out with skills. They do contribute to the local and US economy. b. Graduates join the US armed forces--- many have paid the ultimate sacrifice (freedom). c. COMFSM is key to compact impact solution. If we are given more, much more than 3.8 d. We need to have an independent economist assess and provide accurate facts. e. How can you demand improvement when you keep cutting my resources?
