MEMORANDUM

December 13, 2006

TO : Campus Director
FROM : ChAWG Chairman
SUBJECT : General Studies Program Evaluation

On behalf of the Chuuk Assessment Working Group, I herewith submit the General Studies Program Evaluation report, as attached, in accordance with Appendix T. Please forward it to our VPIA Palikir for review and approval.

The idea of the General Studies Program is to develop students to enter a degree program. Available data do not indicate much success in this developmental-education effort. The worst-case scenario would there be to eliminate the GS Program. However, the intent of the attachment is to find ways to salvage it by revising the program learning outcomes (PLOs) or course learning outcomes (CLOs). Such revision by the VPIA office is possible, but it will not be an easy task.

Please forward the attached program evaluation report, as well as this cover page, to Palikir's VPIA office for final review and action.

Thanks very much.

Sincerely yours,

/s/

Alton Higashi
