COURSE OUTLINE COVER PAGE

ED211 Classroom Management(Distance Ed.)
Course Title

ED211
Department and Number

Course Description:

This course examines essential concepts of effective classroom management with an emphasis on special needs students in the classroom. It is the intention of this course to provide current information concerning classroom management techniques, and to offer students with practical experience that will assist them in understanding classroom management issues within their school. Throughout the course the students will be working in learning teams of three, which will facilitate opportunities for discussion and assignments, and collaboration on practical assignments designed to improve learning outcomes for students.

This course is taught using a distance learning format primarily using Internet based Instruction.

Course Prepared by: Michelle Warn & Fidelia Adgil State National Campus

Table with 5 columns: Activity, Hours per Week, No. of Week, Total Hours, Semester Credits. Rows include Lecture, Laboratory, Workshop, and Total Semester Credits.

Purpose of Course: Degree Requirement, Degree Elective, Certificate, Other
