For becoming a Successful Student

"Success is not the result of spontaneous combustion. You must set yourself on fire"

~Reggie Leach

Read and understand the course syllabus

The course syllabus is the guide for what your instructor expects in the course—what assignments are due and when, the priorities for learning, and how grades are determined.

Get to know your instructor

Use before and after class time or the instructor “office hour” to discuss any difficulties you are having with your class. At COM-FSM, your instructor will work with you and help you to be successful.

Don’t skip class EVER (unless you are really sick or have an emergency)

Woody Allen says that “80% of success in life is showing up.” “Showing up” is the foundation for success in life and in college. Your college years are part of your life. For college students, we might restate Woody Allen’s quote to read “80% of being a successful college student is showing up. The other 20% of success is hard work, persistence, striving for excellence and knowing which thing to click on your computer screen.”

Do all readings and assignments on schedule and turn them in

Falling behind is self-perpetuating, and coming to class unprepared makes you less able to understand the new material and ask questions.

Ask about and investigate student support services

COM-FSM offers a number of services—tutoring, labs for reading, writing, math and computers, advising and counseling services, library, and career center—and all are available free of charge! Use them often to assist with your work.

Don’t drop a course without first talking to your instructor and/or an advisor

Although you may be experiencing difficulties in a course, there may be solutions to your problems that you might not see. We want you to be successful, so talk to the COM-FSM staff members and get their help.

Set measurable academic and personal goals each semester

A key difference between students who succeed and those who don’t is that students who succeed have clearly defined goals.

Accept personal responsibility to succeed

As Abraham Lincoln once said, “Always bear in mind that your own resolution to succeed is more important than any one thing.” Successful students tend to be realistic and recognize that their success or failure is primarily determined by their efforts.

Get to know other students and participate in student activities

Forming study groups is one of the best ways to be successful. Get to know others by attending events on campus.

Build a master calendar

With all of your life activities scheduled (work, classes, study time, practice), you will be able to see in advance and plan for two tests on one day, for example. You can be proactive rather than reactive in approaching you academic assignments.
The College of Micronesia-FSM (COM-FSM) is a single institution with six campuses located across the four main islands of the FSM, which are Chuuk, Kosrae, Pohnpei, and Yap. The administrative center of the institution is located at the National Campus in Pohnpei, Pohnpei. Additionally, the National Campus serves all four states as the primary campus for delivery of two-year degree programs. Each of the four states has what is commonly referred to as a “state campus” which ensures access to higher education for citizens of all four states. These campuses are respectively Chuuk Campus, Kosrae Campus, Career and Technical Education Center (CTEC, formerly Pohnpei Campus), and Yap Campus. The FSM Fisheries and Maritime Institute (FSM-FMI) is located on Yap Island and is funded by the FSM government.

You, our students, are our most valuable asset. You bring energy, diversity, and a broad range of experiences to the classroom, enriching the lives of faculty, staff, and fellow students. Whether you are a recent high school graduate, an experienced professional, a military service member, or an international student, we appreciate your unique perspective — and we want you to feel at home at our college.

This Student Handbook is designed to be a resource for your needs as a student. We think it will come in handy, so keep it close. Take a minute to glance through it and you’ll see that it contains helpful information regarding faculty responsibilities, student responsibilities, policies, and detailed descriptions of our various services.

We understand that a handbook will probably not answer every question you have. If you ever need assistance or have questions or concerns, please turn to your faculty, administrators, directors, and staff members—we are here to help you through this important part of your life. We know how much education is valued, and we want to be sure you get the help you need to get the most out of it. We are here to help you graduate with the skills you need to achieve personal and professional success. We help you do this through small classes, one-on-one attention, flexible scheduling, academic support, and hands-on training.

Having said that, I am urging you, the senior high school students and those who have passed the COM-FSM Entrance Test (COMET) to come to COM-FSM for your two-year associate degree or your bachelor’s degree, if you wish to pursue either education or business administration.

(Sgd.) Emanuel Mori
Interim President and Chief Executive Officer

The Department for Administrative Services provides the administrative support services at all six campuses system wide. The Vice President of Administrative Services is responsible for the Business Office, Human Resources Office, Procurement and Asset Management Office, and Maintenance Division. The Director of each office coordinates with the Campus Dean at each site on all matters pertaining to administrative functions of each unit. OR retaliation against COM-FSM student for raising an allegation of sexual harassment, filing a complaint alleging sexual harassment, or participating in a proceeding to determine if sexual harassment has occurred. Such retaliation shall be considered a serious violation of this policy and shall be independent of whether a charge or informal complaint is substantiated. Encouraging others to retaliate also violates this policy. Examples of retaliation include, but are not limited to, unfair grading, unfair evaluation, public or private ridicule, or threats of any kind.

Sexual harassment is illegal under the state and local laws and will not be tolerated within any college setting.

Definition
Sexual harassment can take many forms, but it generally falls into three categories: verbal, written/pictorial or physical. Defining characteristics of sexual harassment are that the behavior is unwanted and tends to be repetitive in nature. Under COM-FSM policy sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical contact of a sexual nature.

Purpose
This policy is intended to protect students from sexual harassment and to provide guidelines to assure that the Sexual Harassment Policy is applied fairly and equitably, and in accordance with Title IX requirements.

Application
This policy applies to all college students and other students participating in or accessing college sponsored programs and activities in all aspects of their relationship with the college.

ADDING AND DROPPING POLICY

Courses may be added or dropped by students through the first three days of instruction during the semester and the first day of instruction during summer by completing the add/drop form that is available from the Office of Admissions, Records and Retention (OARR).

Student who fails to officially add a course will not receive credit for the course. Students who fail to officially drop a course will be charged the full amount of the course.

**Reporting Sexual Harassment**

To report incidents of sexual harassment or retaliation, students may have the option to contact the Vice President for Enrollment Management & Student Services, Director of Student Life, Security office, or a Counselor at the National Campus or the Student Services Coordinator, or a Counselor at the State Campuses or a local Law Enforcement Agency. If a COM-FSM employee observes sexual harassment of a student, he/she should report it to the Vice President of Student Services or Campus Director. All members of the COM-FSM community are required to cooperate in any investigation of a sexual harassment complaint. Additionally, there are alternate outlets for reporting in the event any individual is uncomfortable in reporting a complaint. Persons who report incidents of sexual harassment shall not be harassed or retaliated against in any manner by any member of the college community.

**Specific Responsibilities of Management**

Upon receipt of a complaint of sexual harassment by a student, or on behalf of a student, the relevant supervisor or contact person must immediately convey this information to Director of Student Life at National Campus or Student Services Coordinator at the State Campuses, who initiate an appropriate investigation based on the complaints made.

If the result of the investigation upholds the complaints made, then appropriate disciplinary action will be taken against the person involved, which can include but is not limited to termination of employment or expulsion from the college.

False accusations for an improper motive may also be subject to disciplinary action.

In situations where it is reasonably believed that imminent danger of serious bodily harm will occur, or that a crime has been committed, it is important to immediately notify campus security or the National or State Police.

**AVAILABLE FINANCIAL ASSISTANCE**

**Federal Pell Grant**
A grant to help undergraduates pay for their education. For many students, Pell Grant provides the foundation to which aid from other federal and non-federal sources may be added. Federal Pell Grant does not have to be repaid.

**Supplemental Education Grant (SEG)**

**SEG Work-Study Program**
The SEG Work-Study Program gives students the opportunity to earn money to help pay for their educational expenses by providing part-time work. College regulations limit students to a maximum of 20 hours per week while classes are in session and 40 hours per week when classes are not in session (Easter break, semester recess, etc.). Students are not eligible to work overtime hours.

Work Study pay rate is at least the current COM-FSM minimum wage, and the total award depends on the level of need of a student and the funding level. The number of hours students are allowed to work depends on their class schedule, health, and academic progress. Students are paid bi-weekly. Work Study funds are made available at the beginning of the school year. If you are awarded Work Study, you should work out a schedule and carefully monitor the number of hours that you work per week and not exceed the amount awarded. Upon depleting your Work Study award, you will be terminated from your Work Study position.

**National and State Scholarships**
There are state scholarships (as well as grants and loans) available or offered through your own state government. The COM-FSM Financial Aid Offices provide assistance in filling out the state scholarship application form, completing and certifying the "expense section" of the form, and forwarding the applications to the respective state scholarship offices. The respective state scholarship offices make scholarship awards.

**Tuition Waiver and Reduction**
Tuition up to six credits is waived for COM-FSM employees. Dependents of COM-FSM employees as defined in the COM-FSM Personnel Policy and Procedure Manual are granted 50% tuition reduction.

**US Veterans Educational Benefits**
The College of Micronesia-FSM is an approved educational institution for education and training under the US Veteran’s Educational Assistance Act (GI Bill). COM-FSM charges veterans and military service members the same tuition rate as all students and there is no in-state or out-of-state tuition differential.

All students who are eligible to receive financial assistance from the US Department of Veterans Affairs under Chapter 30 (Montgomery GI Bill Active Duty), 33 (Post-9/11 GI Bill), and 35 (Survivors and Dependents) are advised to contact the college’s School Certifying Official for clarification and explanation of awards before registering with their assigned advisor.

**Part-time & full-time faculty-related complaints from students (Not grade-related)**

**A. Informal Complaint**
The goal of the informal process is to provide information to the student that will assist the student and instructor in mutually resolving the concern or problem.

The student may discuss the complaint informally with the faculty member, or the faculty member’s supervisor. To address complaints in a timely fashion, students must begin the informal process within five days of receiving the student’s appeal. The President will send a written notice to the administrators involved and student of the final decision.

When discussing concerns or complaints with an instructor it is most effective to arrange a time when the instructor is available for a confidential conversation. Full-time instructors have posted office hours. At most campuses adjunct faculty may meet a student in an office provided by the adjunct faculty department. It may also be helpful for the student to organize his or her thoughts by writing down the concerns prior to the meeting. It is important to note that breaks in a faculty member’s instructional service time may affect the resolution timeline (i.e., Christmas Holidays and/or spring break).

Note: Any time limit herein may be extended by five college working days with notice to the student. Timeline may be further modified by mutual agreement. The student may appeal to the President. The President will review documentation submitted with the appeal and make a final decision within five days of receiving the student’s appeal. The President will send a written notice to the administrators involved and student of the final decision.

**B. Formal Complaint (Other than faculty or grade-related)**
If the student believes the decision offered through the Informal Process did not provide resolution, the student may then use the Formal Complaint Process. Students may file a formal written complaint against the college. The formal complaint must be filed within 30 college working days from the date the decision was offered to the student.

The Student Complaint Information Packet is available in the Office of the Vice President for Instructional Affairs, Vice President for Enrollment Management & Student Services or the Campus Dean. Students may call either one of the offices and have this information given to them. The formal complaint must contain the following information:

1. Name of the student(s) filing the formal complaint.
2. Name of the staff member complaint is against.
3. Statement of facts and nature of the formal complaint.
4. Date(s) of the incident(s).
5. Resolution being sought by the student(s).
6. Student’s signature.

The student will submit the formal written complaint to the appropriate administrator. The administrator will have ten college working days to work with all parties to affect a resolution.

If the resolution presented by the administrator is not agreed to, the student may appeal the resolution to the appropriate vice President. The Vice President shall, within ten college working days after the first receipt of the formal complaint, cause an investigation to be made of the unresolved complaint. If the student chooses to meet with the faculty member's supervisor, he or she should visit the instructional area or call the division to set up an appointment to talk with the instructor's supervisor. Information on where to find the instructor's supervisor is available at the Office of Dean of Academic Programs or Campus Dean's office. If the student is not satisfied with the discussion and suggested resolution, the student may file a formal complaint against the faculty member. Any formal complaint must refer to actions of the Faculty member within the course and scope of his/her employment. A grade change request based strictly upon academic considerations shall not be considered a complaint against a faculty member.

B. Formal Complaint

If the student believes the decision offered by the faculty member or the faculty member's supervisor through the Informal Process did not provide a resolution, the student may then use the Formal Complaint Process. A student may file a formal written complaint against a faculty member. The formal complaint must be filed within 30 college working days from the date the decision was provided to the student. The formal written complaint must be as well defined, objective as possible and contain the following information:

1. Name of the student(s) filing the formal complaint.
2. Name of the staff member complaint is against.
3. Statement of facts and nature of the formal complaint.
4. Date(s) of the incident(s).
5. Resolution being sought by the student(s).
6. Student's signature and the date submitted.

The student must submit the formal written complaint to the faculty member's Division Chair.

The faculty member's supervisor will have ten college working days from the receipt of the formal written complaint to work with all parties to achieve a solution unless the faculty member is not available due to semester break and vacations. In those situations, the ten (10) days allowed for resolution will start and stop based on faculty contracts. If the resolution presented is not agreed to, the appropriate Vice President shall, within ten college working days after receipt of the formal complaint, cause an investigation to be made of the unresolved complaint. During the Chair's investigation, he/she shall meet separately with the different parties who may, if they desire, have a representative with them. The formal investigation shall include the Chair, the faculty member, the student and/or any other person who has first-hand knowledge of the subject matter of the complaint, and/or each party's representative.

The appropriate Chair shall, within twenty 20 college working days after receipt of the formal complaint, inform the student and all other parties of his/her decision in writing. The Chair may recommend one or more of the following actions:

1. Offer a resolution to the complaint.
2. Dismiss the complaint.
3. Take appropriate action.

The student may appeal to the President. The President will review documentation submitted with the appeal and from the Chair's investigation and make a final decision within five days of receiving the student's appeal. The President will send a written notice to the Chair and student of the final decision.

The college offers a non-coed student housing at its National Campus in Palikir, Pohnpei. It has a residence hall for men and a separate one for women. The residence halls are two-story buildings with twenty-seven rooms which can accommodate 212 students, restrooms and showers on both floors, TV lounges, computer lab, study rooms, and laundry rooms.

Each residence hall room is shared by four students and is furnished with two bunk beds. The college provides a mattress for each resident, but each resident must provide his/her own pillow, pillowcase, sheet and blanket. Rooms are available on a space-available basis to full-time students. Students from off island are given priority to live in the residence halls. Students are required to complete an application and pay a $50.00 security deposit. The Director of Student Life may refund the deposit at the end of the resident’s stay upon written request and assessment. Upon acceptance into the residence halls, a student sign a housing agreement in which he/she agrees to pay room charges for the entire semester regardless of whether he/she moves out of the residence halls at any time during the semester.

and/or grading criteria have not been followed must attempt to resolve the issue by discussing the differences of opinion with his/her instructor as a first step.

If the student is unable to reach agreement with the instructor, the student may take the complaint to the department chair and then, if no resolution is reached, to the Dean of Academic Programs and finally to the Vice President of Instructional Affairs. Based upon professional judgment, the instructor is solely responsible for the semester/session grade assigned. No instructor may be directed to change a grade unless a mistake, fraud or bad faith by the instructor is proven; the burden of proof for the existence of mistake, fraud or bad faith on the part of the instructor is the responsibility of the student. If resolution is not reached through the informal process, the student may file a Formal Complaint (form included in this packet). In cases where the instructor cannot be contacted by registered mail, the Division Chair for the same subject area, the Vice President for Instructional Affairs and the Registrar may certify grade changes.

B. Formal Complaint

The Formal Complaint procedure for Academic and Grade Regulations must be completed within 90 calendar days of the conclusion of the semester or session during which the student was enrolled in the course in which the grade is being challenged.

The student submits to the instructor’s Division Chair or appropriate supervising administrator a written request asking for a meeting to resolve the complaint. The written request must include a detailed description of the grade complaint and appropriate documentation.

The student must initiate this request within seven working days of the student’s meeting with the instructor. The Division Chair or appropriate supervising administrator will convene a Mediation Hearing Committee within 14 working days of receipt of the formal request and relevant data supplied by the student.

The Mediation Hearing Committee is composed of the faculty member, the student and the Division Chair who serves as chair of the committee.

If either student or the instructor is dissatisfied with the decision or proposed action by the Mediation Hearing Committee Chair, an appeal may be made within seven working days to the Vice President of Instructional Affairs or designee.

This appeal will be a written memorandum outlining the nature of and the basis for dissatisfaction with the decision or action taken. A copy of the appeal is to be given to the committee chair and the student or instructor, as appropriate. Once the Vice President of Instructional Affairs or designee has received the appeal and a written answer from the committee chair, the Chair will meet with the student and instructor, separately or together, at the Chair’s discretion within 14 working days to discuss the matter.

After reviewing the appeal with the President, the Vice President of Instructional Affairs has discretionary power to uphold, reverse, or modify the recommendation of the Mediation Hearing Committee Chair.

The Vice President for Instructional Affairs will prepare a written decision that will be sent to the student, to the committee chair, and to the appropriate instructor. The decision of the Vice President of Instructional Affairs is final and completes the procedure for a complaint about academic or grading practices at College of Micronesia-FSM.

The Office of the Vice President for Instructional Affairs will be the official repository of records regarding decisions or actions involving an Academic or Grade Regulations complaint.

Student Body Association (SBA)

All students are members of the Student Body Association (SBA), which is led by a student council. The council includes the president, vice-president, secretary, treasurer, and delegation representatives. This decision-making body meets every two weeks. The delegations, which represent geographical areas of the FSM, and other student groups, also meet on alternate weeks to discuss student concerns.

Every student is a member of a delegation of his choice and has the opportunity to participate in student government.

Clubs & Organizations

Clubs are an important and vital component of the total educational experience.

Students may participate in programs that enhance their educational and career training or social activities and reflect special interests including cultural events, community service projects, and others. Membership in clubs or associations is open to all students without regard to race, sex, religion, disability, island of origin, or sexual orientation.

Membership in organizations is voluntary. However, members may disassociate at any time.

Policy on Student Clubs and Organizations

See p. 17 of this handbook.
At National Campus there are two facilities on campus to serve the leisure, recreation and sports needs of on-campus residents and off-campus students.

**Sports and Recreation Center**
The FSM-China Friendship Sports Center located at the National Campus is the largest building in Pohnpei and serves as a multi-purpose facility. The sports center houses two complete basketball courts; the main court has a seating capacity of up to 1,300 spectators and the practice court with a stage at one end can be used for a variety of activities. Because of its size, the sports center can accommodate conferences and meetings and is sometimes referred to as the “convention center” for the Nation and the surrounding community.

The sports center also has rooms for television, pool, and Ping-Pong for student recreation. The Sports and Recreation Office located in the sports center has a variety of equipment, the usual such as volleyballs and basketballs and the unusual such as Frisbees and waffle balls, for student to check out and many activities for students to sign up.

**CTEC Multi-Purpose Gymnasium**
CTEC has a multi-purpose gymnasium and a recreation center for students. All other campuses use the state facilities for their sports programs.

**COM-FSM Fitness Center**
Adjacent to the Sports Center, the COM-FSM Fitness Center has a variety of free weights and exercise machines, which is available to students daily.

Students have the right to gain access to and challenge the content of their educational records. The right of challenge does not include questioning substantive judgments that are correctly recorded, such as a grade in a course.

Students have the right to have some control over the disclosure of information from the records. They can expect that information in their educational records is kept confidential, and disclosed only with their permission or under provisions of the law.

Parents also have the right to expect confidentiality of certain information about them in the educational records and, under certain conditions, to gain access to the information in their child’s educational record. However, since the college considers all students independent, that information which may be released to them without the student’s specific permission is limited to directory information.
