Academic Honesty

To ensure the integrity of the educational process and the institution, the college encourages academic honesty, and therefore does not condone cheating, plagiarism, or any related form of academic dishonesty which prevents an instructor from being able to assess accurately the performance of a student in any facet of learning. Mandatory attendance is at the discretion of the instructor provided the conditions for the attendance are included in the course syllabus and communicated to the students on the first day of class.

Credit Load

Students are limited to a maximum load of 18 credits per regular semester, and six credits per summer session. Additional courses can only be taken with permission by the Vice President for Instructional Affairs.
